

3 Academic Regulations

PINNACLE INSTITUTE OF TECHNOLOGY

Governing Curriculum, Credits & Progression

Academic Regulations

Applicable to B.Tech Programs, Batch [20XX] Onwards

[PLACEHOLDER DOCUMENT — replace institute name, logo, and figures before use]

1. Applicability

These regulations govern all undergraduate (B.Tech) programs offered by Pinnacle Institute of Technology from the [20XX] admission batch onward. They apply uniformly to all departments unless a specific exception is notified by the Academic Council.

2. Structure of the Program

The B.Tech program is a full-time course spread over 4 years (8 semesters).

The program requires successful completion of a minimum of [160] credits, distributed across core courses, electives, laboratories, project work, and mandatory non-credit courses.

Maximum duration to complete the program, including any break of study, shall not exceed [8] years from the date of admission.

3. Credit System

4. Attendance Requirements

A student must maintain a minimum of 75% attendance in each course (theory and practical, combined) per semester to be eligible to appear for the end-semester examination.

Students with attendance between 65% and 75% may be granted condonation by the Head of Department on valid medical or other verified grounds, subject to the Dean (Academics)' approval.

Students with attendance below 65% shall not be permitted to appear for the examination and must repeat the course when next offered.

5. Evaluation Scheme

5.1 Continuous Internal Evaluation (CIE)

Weightage: 40% of total marks per course, comprising periodic tests, assignments, quizzes, and lab performance as applicable.

5.2 Semester End Examination (SEE)

Weightage: 60% of total marks per course, conducted centrally by the Controller of Examinations.

5.3 Passing Requirement

A minimum of 40% in SEE and 50% aggregate (CIE + SEE) is required to pass a course.

6. Grading System

SGPA and CGPA are computed as the credit-weighted average of grade points earned, per standard AICTE formula.

7. Promotion Criteria

A student shall be promoted to the next academic year only upon clearing a minimum of 50% of the credits prescribed for the current year.

Backlogs must be cleared through supplementary examinations offered at the end of each semester or in special backlog examination windows.

8. Academic Probation & Detention

A student who fails to meet minimum credit or attendance requirements for two consecutive semesters shall be placed on academic probation. Continued non-compliance may result in detention from the program, subject to review by the Academic Council.

9. Re-evaluation & Revaluation

Students may apply for revaluation of SEE answer scripts within [7] days of result declaration, subject to prescribed fees.

Requests for photocopies of answer scripts may be made prior to applying for revaluation.

10. Amendments

The Academic Council reserves the right to review and amend these regulations from time to time. Any changes will be notified through official circulars and will apply prospectively unless otherwise stated.

Course Category | Credits (Indicative)

Basic Sciences & Humanities | 22–26

Engineering Sciences / Core | 80–90

Professional Electives | 18–24

Open Electives | 9–12

Laboratory / Project Work | 18–22

Total | ≈160

Marks Range | Grade | Grade Points

90–100 | O (Outstanding) | 10

80–89 | A+ (Excellent) | 9

70–79 | A (Very Good) | 8

60–69 | B+ (Good) | 7

50–59 | B (Above Average) | 6

40–49 | C (Average) | 5

Below 40 | F (Fail) | 0
