

4 Student Handbook

PINNACLE INSTITUTE OF TECHNOLOGY

Your Companion Through Campus Life

Student Handbook

A Guide to Campus Life, Conduct & Support Services

[PLACEHOLDER DOCUMENT — replace institute name, logo, and figures before use]

Welcome

This handbook is designed to help every student navigate academic and campus life at Pinnacle Institute of Technology. It outlines expectations, available support services, and the rights and responsibilities of every member of our student community. Please retain this document for reference throughout your program.

Code of Conduct

Treat faculty, staff, fellow students, and visitors with courtesy and respect at all times.

Maintain academic integrity — plagiarism, impersonation, and use of unfair means in examinations are strictly prohibited.

Refrain from any form of ragging, harassment, or discrimination based on caste, religion, gender, or region — such conduct invites immediate disciplinary action and may attract legal proceedings.

Possession or consumption of alcohol, tobacco, or narcotic substances on campus is strictly prohibited.

Maintain cleanliness and avoid damage to institute property; costs of damage will be recovered from responsible individuals.

Adhere to the dress code prescribed for laboratories, workshops, and formal institute events.

Anti-Ragging Policy

Pinnacle Institute of Technology maintains a zero-tolerance policy toward ragging in accordance with UGC/AICTE regulations. An Anti-Ragging Committee and Anti-Ragging Squad operate on campus to monitor and act on complaints.

Ragging includes any act — verbal, physical, or online — that causes embarrassment, fear, or harm to a fellow student, especially first-year students.

Complaints can be raised confidentially via the Anti-Ragging Helpline: [1800-XXX-XXXX] or email [antiragging@pit.ac.in].

Violations may result in suspension, expulsion, and reporting to law enforcement authorities as per statutory requirements.

Attendance & Academic Expectations

Students are expected to maintain a minimum of 75% attendance as per the Academic Regulations. Regular class participation, timely submission of assignments, and active engagement in laboratory sessions are essential to satisfactory academic progress.

Grievance Redressal

Academic grievances (marks, evaluation, timetable issues) should first be raised with the concerned faculty member or Head of Department.

Unresolved matters may be escalated to the Dean (Academics) or the Student Grievance Redressal Committee.

Grievances related to harassment or discrimination may be reported directly to the Internal Complaints Committee (ICC) or the Anti-Ragging Committee.

The institute guarantees confidentiality and protection from retaliation for all genuine complaints.

Campus Facilities & Support Services

Student Clubs & Activities

Students are encouraged to participate in technical, cultural, and social clubs including the Robotics Club, Coding Club, Entrepreneurship Cell, Music & Dance Society, NSS (National Service Scheme), and NCC (National Cadet Corps). Club activities contribute to co-curricular credit points as per institute policy.

Hostel Rules (For Resident Students)

In-time for entry into hostel premises is [9:30 PM] on weekdays and [11:00 PM] on weekends, unless prior permission is obtained.

Visitors are permitted only in designated common areas during visiting hours.

Cooking appliances and unauthorized electrical equipment are not permitted in rooms.

Any damage to hostel property will be billed to the responsible student(s).

Disciplinary Action

Violations of the Code of Conduct will be reviewed by the Disciplinary Committee. Depending on severity, actions may range from a written warning, fine, or suspension, to expulsion from the institute. Students have the right to be heard before any major disciplinary decision is finalized.

Emergency Contacts

Service | Details

Library | Open 8:00 AM – 8:00 PM on working days; reference and digital access available
