1. Eligibility to Appear

Students must have a minimum of 75% attendance (or condoned attendance as per Academic Regulations) in the concerned course.

Outstanding dues (library, hostel, tuition) must be cleared before the issue of the hall ticket / admit card.

Admit cards must be downloaded from the student portal and carried to every examination session along with a valid photo ID.

2. Types of Examinations

3. Conduct During Examinations

Candidates must report to the examination hall at least 15 minutes before the scheduled start time; entry is not permitted 30 minutes after commencement.

Only permitted stationery and calculators (as specified per course) may be carried into the hall. Mobile phones and smart devices are strictly prohibited.

Candidates must occupy only the seat allotted to them, as indicated by their hall ticket number.

No candidate may leave the hall in the first 30 minutes or the last 10 minutes of the examination.

Candidates must sign the attendance sheet and submit the answer script to the invigilator before leaving.

4. Malpractice & Unfair Means

The following are treated as examination malpractice and will be dealt with under the institute's Unfair Means Policy:

Possession of unauthorized material (notes, devices) during the examination.

Copying from another candidate's script or allowing one's own script to be copied.

Impersonation or attempting to appear on behalf of another candidate.

Disorderly conduct or refusal to comply with invigilator instructions.

All malpractice cases are reviewed by the Unfair Means Committee, and the accused student is given an opportunity to present their case before a final decision is made.

5. Results & Grade Cards

Results are published on the student portal within [4] weeks of the completion of the semester end examinations.

Grade cards reflect course-wise grades, SGPA for the semester, and cumulative CGPA.

6. Revaluation & Retotaling

Applications for retotaling (verification of totaling) may be submitted within [5] days of result declaration.

Applications for revaluation (re-assessment by a different examiner) may be submitted within [7] days of result declaration, along with the prescribed fee.

The revised marks, if any, are considered final and supersede the original marks awarded.

7. Supplementary / Backlog Examinations

Students who fail to clear a course may reappear in the supplementary examination conducted at the end of the following semester, or in a dedicated backlog examination window as notified by the Controller of Examinations.
